Iron Filbert Vineyard

Winemaking

Aged on lees for 10 months in neutral French Oak barrels. Coopers include Atelier Centre France, Taransaud, and François Frères. We practice native primary and secondary barrel fermentation for all our Chardonnay, embracing the micro-biome present in our vineyard sites.

Notes

Our Dundee Hills vineyard delivers spectacular, unmatched brightness in 2019. Ripe but deftly balanced aromas of lemon balm, lime verbena, and honeydew are on display, while the finish persists with dense mineral-driven acidity. While delicious upon release, this is one of our most compelling expressions yet from this site and will age gracefully for at least 10 years.
