Quartz Acorn Vineyard

Winemaking

Aged on lees for 10 months in neutral French Oak barrels. Coopers include Atelier Centre France, Taransaud, and François Frères. We practice native primary and secondary barrel fermentation for all our Chardonnay, embracing the micro-biome present in our vineyard sites.

Notes

The Quartz Acorn Vineyard sits closer to the coastal range and lends itself to a cooler profile with longer hang time resulting in a “chiseled” wine, showing the precise fruit. Aromatics of lemon, pear, and distinct ginger and dandelion spice. The palate has a bright lemon profile and a dry and minerally finish. It was harvested from one specific southeast facing section of Chardonnay at the Quartz Acorn Vineyard that particularly excelled in 2019 providing a very detailed wine. This wine should age gracefully for ten or more years.
