

Willamette Valley

— 2021

PINOT NOIR

Winemaking

The Willamette Valley Pinot Noir is the only Pinot Noir we produce that combines our two estate plantings. It is sourced from our Quartz Acorn Vineyard in Yamhill-Carlton and our Iron Filbert Vineyard in Dundee Hills. While this label is traditionally press fraction dominant, the 2021 vintage contains more free run than any year prior. 55% free run, 45% press fraction. We aged on lees for 11 months in 20% new oak barrels from Taransaud (French) and Kádár (Hungarian).

Notes

The 2021 Willamette Valley Pinot Noir opens with Bing cherry, red raspberry, and balsamic. The palate shows a phenomenal spiciness and round volume while still remaining light on its feet. Balanced and accessible, it boasts a plush profile of red fruit. This is a wine that is easy to drink and ready to enjoy now. 14.8% ALC.
