

# Willamette Valley

CHARDONNAY

— 2020

## Winemaking

Vigorous stirring on lees once daily in a neutral barrel during fermentation. Immediate topping of the barrel once fermentation slows to maintain freshness and eliminate room for oxidation. From our Iron Filbert Vineyard and our Quartz Acorn Vineyard. 11 months in 100% neutral French Oak barrel.

## Notes

A youthful, fresh expression of the 2020 vintage. Aromatically bright with notes of key lime, white peach, and graham cracker. It is light on its feet, showing honeysuckle and saline as it opens. The palate is rich with ripe honeydew and a roundness the carries beautifully through the finish. This wine shines in its youth, ready to drink and enjoy now.
